

Core Beliefs

We are passionate about inspiring and nurturing individuals to honor their natural thirst for learning.

Providing learners with a customized, creative, and inspiring program of learning tailored to their needs, interests, and goals leads to increased motivation, personal awareness, love of learning, and belief in themselves.

TLCI Mission: Empowering learners to create and achieve their educational goals through a customized and collaborative process of reflection, self-evaluation, and self-correction.

Our core beliefs include:

- The success of our learners and our parent-teachers is our first priority.
- All learners deserve a positive and supportive environment.
- Customizing learning helps learners reach their highest potential.
- Learning is an active process grounded in application and engagement.
- The goal of the learning process is to create meaning and significance for the learner
- Partnerships among learners, parents, and the TLCI team are important for learner success.
- High expectations for learners, parents, and ourselves support the learning process
- Using our interactions to create and encourage lifelong learners
- Our vision of empowerment includes learners, parent-teachers, and TLCI team members.
- Respect for ourselves and others is the foundation of all our interactions.

We are a unique private school where each learner and parent-teacher receive individualized care from our dedicated, highly specialized collaborative team.
